

Chris Fornesa

Contact Information

My educational and professional path has led me to many places and, thus, I can accustom myself to most academic and professional spaces. From undergraduate degree in Liberal Studies and minors in Business Foundations, Political Science and Studio Art, to my capacity to my current pursuit of Information Technology, I have the capacity to think critically, analytically, and creatively. This background has given me access and the tools needed to create and innovate ideas, products, and creative work.
